

Dayspring Bible College & Seminary

World History II from a Biblical Perspective CE412

Instructor: Dr. Phil Stringer

I. Course Description

This course is a fascinating look at world history from a Christian perspective. Recognizing the redemption of man as the focal point of everything, this study presents people and events as they influence or were influenced by God's plan for Messiah. Picking up where World History I left off, this course follows history through to the modern era.

II. Course Objectives

As a result of taking this class, the student should be able to demonstrate an understanding of the influence and hand of God throughout history.
