

Complete Creation

Unit 9 – Lesson 17 & 18

Study Guide

This study guide contains some questions and prompts which will help you prepare for the test as you watch the lesson videos. The tests are composed of a random bank of questions taken from this study guide. There are no score keys – the answers can be found watching the lesson videos.

1. Does any evidence exist for TRex being vegetarian?

2. Lyell's whole point was to do what?

3. What happens when nitrogen becomes Carbon 14?

4. The flagella tail of a bacterium is made up of how many protein units?

5. Is the "simple cell" extremely simple?

6. What is the material that comes out of volcanoes?

7. Should there be land-walking animals in layers that have been "dated" to be 500 million years old?

8. What do you look for when looking for fossil footprints?

9. Can a wave lay down multiple layers?

10. How many layers was the water in the linear flume observed laying down?

11. What are framboids?

12. Do framboids contain hemoglobin?

13. What are the Columbia River Flood Basalts? What are they called?

14. What is a paleosol?

15. How are pillow basalts formed?

16. How are “welded tuffs” supposed to have been formed, and where have they been observed to have been formed?

17. What happens when rock tries to shrink, and why?

18. Lava columns in multiple layers are evidence of what?

19. What is diatomaceous earth made up of?

20. What are the claimed “paleosols” in the CRFB?

21. If the layers in the CRFB were being laid down over millions of years what would we expect to find?

22. Have fossil soils been observed to form rapidly?

23. In what way are the CRFB identical to flood basalts being formed on the ocean floor today?

24. Are fossil stumps found with roots completely intact?

25. Do intact roots indicate the fossil tree growing in place?

26. What implication is given by saying the Ark could not have been made with 4,000 year old tech?

27. Would Noah have had to take 2 of every type of dog on the Ark?

28. What would the average size of the animals on the Ark have been?

29. Based on dimensions given in the Bible, what would have been the equivalent capacity of the Ark?
