To whom it may concern:

I would like to inform you that I must submit my resignation from Fisher Titus Medical Center. It is with regret that I am writing this letter. I am resigning from my position as a staff nurse because I no longer feel that it is a good fit for me. I feel that I am being called to work in another area of nursing, and I am going to follow that calling. I have worked at Fisher Titus since June 20th, 2023 and have found my time to be very beneficial here. I have developed and improved my skills greatly. I am very thankful for the opportunity and have enjoyed working with the various staff on my unit. I am thankful for all of the patients I was able to care for and the personal and professional growth I was able to achieve while being at Fisher Titus.

Sincerely,

Mackenzie M. Wilson
