Registered Nurse/Floor Supervisor
Fisher-Titus Medical Center
272 Benedict Ave
Norwalk, Ohio 44857

To whom it may concern:

I am writing to you because I would love to work for the hospital, Fisher Titus Medical Center, and fill the job position of an RN on a medical surgical nursing unit. I learned of this position through a coworker at the hospital. I am currently a senior student at Firelands Regional Medical Center School of Nursing. I would be available to start this position on June 20th 2023. I graduate from Firelands with my RN on May 5th, 2023. I am interested in working at Fisher Titus because I feel like my values align with their mission statement and goals. I also have previously shadowed at the hospital and encountered pleasant and welcoming staff. I am very eager to learn more and would love an opportunity to speak with you.

I think working at Fisher Titus would be a perfect fit because I love caring for people and assisting them when they need it the most. I worked as an aide/STNA for 3 years before I graduated and feel that I am equipped at assisting and caring for patients. I have gained experience with patient care and learned how to prioritize those I am taking care of. Over the past 3 years, I have also developed my communication skills including how to address patients and families. I am good at paying attention to detail and was raised with strong values of hard work. I know that even a smile or a kind word can make someone's day, and I would love to be a part of doing so at Fisher Titus. I am a very hands-on person. I have had a lot of experience volunteering and caring for others throughout high school and during my time in nursing school. I would love to have the opportunity to work at Fisher Titus and take care of patients on a daily basis.

I would be available to meet with someone from HR or the floor supervisor at their convenience. I have also attached my resume to provide more information about my background and skills. I would appreciate the opportunity to meet with you and discuss the position. Please do not hesitate to contact me at [Mackwilson50gmail.com or call at 4407990292]. I would like to thank you for taking the time to consider my application. I am looking forward to hearing from you.

Sincerely,

Mackenzie M. Wilson
