Dear Amy Rockwell,

I regret to inform you that I have decided to submit my resignation from the Labor and Delivery Department here at Firelands Regional Medical Center. I am leaving as I have been offered a position closer to where I live allowing for more time with my family. I have been employed at this hospital since April of 2021 and I am happy to say that I have had a wonderful experience with this facility and staff and I am glad for my time spent here.

Best wishes,

Avery M. Tubbs
