Faculty Manual

NAME OF STUDENT (LAST)	(FIRST)	(MIDDLE)
Norman	Rebecca	Patricia

1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

Being able to understand and correlate symptoms to a patient's disease process and why they are having the labs/symptoms they are having.

2. Describe your special interests and abilities in nursing:

Being able to talk to patients and help them feel better is something I love about nursing. I think my special interest would be talking with the psychiatric patients and hearing their stories.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

My experiences here at FRMC School of Nursing have been amazing. The nurses are all always so helpful and friendly and the faculty are so personal and understanding and willing to help.

4. Participation in activities throughout the program:

I have not participated much in the activities here, I have donated to make a difference day.

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

1. I want to get my BSN and 2. Get a job on the psychiatric floor and work with psychiatric patients.

6. List your address at the time of graduation- Include a future address if known:
