

FINAL SUMMARY OF STUDENT'S PROGRESS AND DEVELOPMENT

Firelands Regional Medical Center School of Nursing
Faculty Manual

NAME OF STUDENT (LAST)	(FIRST)	(MIDDLE)
Green	Dorresha	Shantell

1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

The outstanding personality characteristics I possessed during this nursing program is the development of critical thinking, time management and communication skills, the willingness to learn, showing empathy and being caring.

2. Describe your special interests and abilities in nursing:

Special interest and abilities in nursing that I possess in nursing is teamwork, physical endurance, paying attention to details and the ability to stay calm when working under pressure.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

My interpersonal relationships with the faculty and staff were good throughout the program. It was easy to approach anyone if help was needed or to even just vent about school or life in general. While in nursing school I was able to develop interpersonal relationship with patients and their families just by being able to educate them and being an outlet for them.

4. Participation in activities throughout the program:

N/A

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

Obtain my BSN
Become a mentor for others

6. List your address at the time of graduation- Include a future address if known:

626 E. Monroe st Sandusky, Ohio 44870
