1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

Personality characteristics relevant to nursing that I possess at the completion of this program are empathy, kindness, honesty, thoughtfulness, good communication skills, commitment to patient advocacy, hard-working, friendliness, ability to maintain standards of care and excellence in creating a safe environment.

2. Describe your special interests and abilities in nursing:

Special abilities in nursing include being part of a team, interpersonal communication with all members of the healthcare team, critical thinking, knowledgeable, exceptional time management and adherence to policies and procedures to provide exceptional patient centered care. My special interests in nursing are helping others, providing excellent patient centered care, and being there for my patients. I would love to work in an ED, ICU, or step-down unit as I love the need to provide urgent care in the ED to help patients and love the continuity of care provided in the ICU and step-down units for patients.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

Experiences I have had with interpersonal relationships throughout the program are as follows. I have communicated with all members of the healthcare team regarding the patient to provide exceptional patient care. I have communicated to patients and families, to update them on the plan of care and discuss any pertinent information. I have collaborated with healthcare providers to ensure standards of care are met. I have communicated with faculty any information needed on my patient during the care I have provided. I collaborated alongside faculty who have guided me in decision making. I have discussed opportunities for growth with faculty and staff on how I can improve. I will be forever grateful for the knowledge that Firelands School of Nursing has taught me and the skills that I obtained from working with all the faculty, staff, and members of the healthcare team at Firelands Health.

4. Participation in activities throughout the program:

Throughout the program I have been a member of Student Senate, member of Student Welfare, donated to all the fundraisers the school has held, worked 2 jobs, volunteered by helping a family in need at their home and volunteered to be a senior mentor to the junior students in the program.

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

1. I would love to obtain my BSN or MSN or MBA.
2. I would like to be a nurse for 10 years then go into healthcare administration.

6. List your address at the time of graduation- Include a future address if known:

2216 W Monroe Street Sandusky, OH 44870 (This is my sisters address because I don't know where I'll be living yet). I will update when known which won't be until May/ June 2023.
