**1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:**

I believe some of the personally characteristics that describe me include empathetic, compassionate, determined, and hard-working. I feel as though these characteristics help highlight the kind of individual that I am and the kind of care I bring to my patients.

**2. Describe your special interests and abilities in nursing:**

I am especially interested in the pediatric, mental health, and maternal roles in the nursing profession. I find all of these specialties fascinating and would love to explore career options in each of the fields. I personally feel as though my best abilities are communicating with the patients and being able to resolve conflicts.

**3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:**

Throughout the program I have been truly fortunate to have worked with some of the best and brightest nurses there are in the world. The faculty and staff of Firelands Regional Medical Center School of Nursing is amazing. The faculty and staff make each individual student feel valid and assists them with whatever tasks they may need help with.

**4. Participation in activities throughout the program:**

Throughout the program I was a member of the Student Senate, Curriculum Committee, and Student Welfare groups. I also assisted with multiple volunteer activities such as donating goods for the Care and Share collection and donated money for the homeless shelter Easter baskets.

**5. Explain at least 2 professional goals you would like to achieve during your nursing career:**

- 1.) A professional goal that I would like to achieve in my nursing career is to finish my bachelor's degree by 2025.
- 2.) An additional professional goal of mine that I would like to achieve is to obtain my master's degree and become a nurse educator by 2040.
