1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

I feel that I am caring, resilient, attentive, efficient, confident, and empathetic.

2. Describe your special interests and abilities in nursing:

I am especially interested in obstetric and pediatric nursing. I feel I have the ability to create good rapport with my patients and that I am able to think quickly and respond well to rapidly changing situations.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

I feel that over the course of this program, I have been able to create a comfortable environment with both my patients and their families as well as with other members of the different healthcare teams. This has allowed me to provide better care for my patients. I feel that I have been able to develop a trusting relationship with the faculty and staff of the school of nursing, which has allowed for me to enhance my nursing knowledge and skills.

4. Participation in activities throughout the program:

I have been able to participate in a few group projects throughout the course of this program that has allowed for me to create friendships that are very important to me. We have gotten together countless times and I am grateful for their support during the hardest of times.

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

I would like to achieve getting my BSN and I would also like to be able to get a job in OB or pediatrics. There is also the possibility I may want to further my education and get my MSN.
