

Z- CH # 23

ON-LINE CONTENT (1H)

Review the assignment and place your answers to the questions in the Z-CH # 23 drop box by 0800 on March 27, 2023.

*In order to receive full credit (1H class time) for this assignment, it must be completed in its entirety by the due date/time assigned. Any assignment not completed in its entirety will result in missed class time.*

Patients often use the Internet to search for health-related issues. Search the Internet for any health-related issue of your choosing. Evaluate the website by answering the following questions:

1. Do the authors have qualifications listed? What are their qualifications? What is the domain? (.gov, .edu, .org) Yes, the domain .org. Institutes, networks, research, and education.
2. When was the site created? When was the site last updated or revised? Dec. 14, 2022. It did not state if this is the date it was created, or if it was updated.
3. Who is the targeted audience? Does the web site present facts or opinions? Those who have this diagnosis, or symptoms. The website states facts.
4. How complete and accurate is the content information? Does it agree with other expert sources? This site states correct, and accurate information that can be found on other sources.
5. Does the site load quickly? Is it a secured site? Are there graphics, or pictures on the page that serve a purpose? If so what are they and how do they relate to the health issue? The site does load quickly. It is a secured site. Yes, they provide pictures on the page that are related to the diagnosis. It is showing the changes to look for that would have to be reported to their HCP.
