

Z- CH # 23

ON-LINE CONTENT (1H)

Review the assignment and place your answers to the questions in the Z-CH # 23 drop box by 0800 on March 27, 2023.

In order to receive full credit (1H class time) for this assignment, it must be completed in its entirety by the due date/time assigned. Any assignment not completed in its entirety will result in missed class time.

Patients often use the Internet to search for health-related issues. Search the Internet for any health-related issue of your choosing. Evaluate the website by answering the following questions:

<https://www.mayoclinic.org/diseases-conditions/lymphoma/symptoms-causes/syc-20352638>

1. Do the authors have qualifications listed? What are their qualifications? What is the domain? (.gov, .edu, .org)
 - a. The authors were not all listed but the one that I did see was an MD. The domain is .org.
2. When was the site created? When was the site last updated or revised?
 - a. The site was created in 1998 and was last updated/revised in 2023.
3. Who is the targeted audience? Does the web site present facts or opinions?
 - a. The targeted audience could be anyone who is wanting to be informed on the topic or looking to get more information about lymphoma. The website presents facts from Doctors within the Mayo Clinic.
4. How complete and accurate is the content information? Does it agree with other expert sources?
 - a. The content information is very thorough and accurate as it is all proven or researched by doctors. This information does agree with all other proven sources.
5. Does the site load quickly? Is it a secured site? Are there graphics, or pictures on the page that serve a purpose? If so, what are they and how do they relate to the health issue?
 - a. Yes, the site loads quickly and is secure. There are graphics and pictures on the page that are informational and helpful. The pictures/graphics help to visualize what the page is educating about.
