

Unit 5 Part 1
ON-LINE CONTENT

Review the article on the 2023 updates to the Beers list. For purposes of this assignment, focus on the charts inside the article to answer the questions. Place your answers to the following questions in the Unit 5 Part 1 drop box by 0800 on July 10, 2023.

In order to receive full credit for your time for this assignment, it must be completed in its entirety by the due date/time assigned. Any assignment not completed in its entirety will result in missed theory time.

1. After reviewing the medications on the Beers List, choose three medications that surprised you they were on the list and discuss why?

2. Are there any medications that are not on the list that you think should be added? If so which medications and why?

3. When reviewing the section listing the medications that have been removed from the list on page 24, do any of the medications surprise you? If so, which one(s) and why?

4. Think back to the patients you cared for over the past year on clinical. What medications have you administered that are on the Beers list?

5. Have you noticed any of the patients experiencing side effects associated with the medications you administered that were on the Beers list? If so, what were they?
