

Maternal Child Nursing Hearing and Vision Screening Training Directions 2023

There are several modules you will have to complete for the training. You will receive a certificate for each of the modules. You will be expected to submit a copy of your transcript showing completion of all modules to your drop box by **August 24, 2023** by the start of class. Please save a copy of all certificates for your records for your portfolio that you will complete in AMSN.

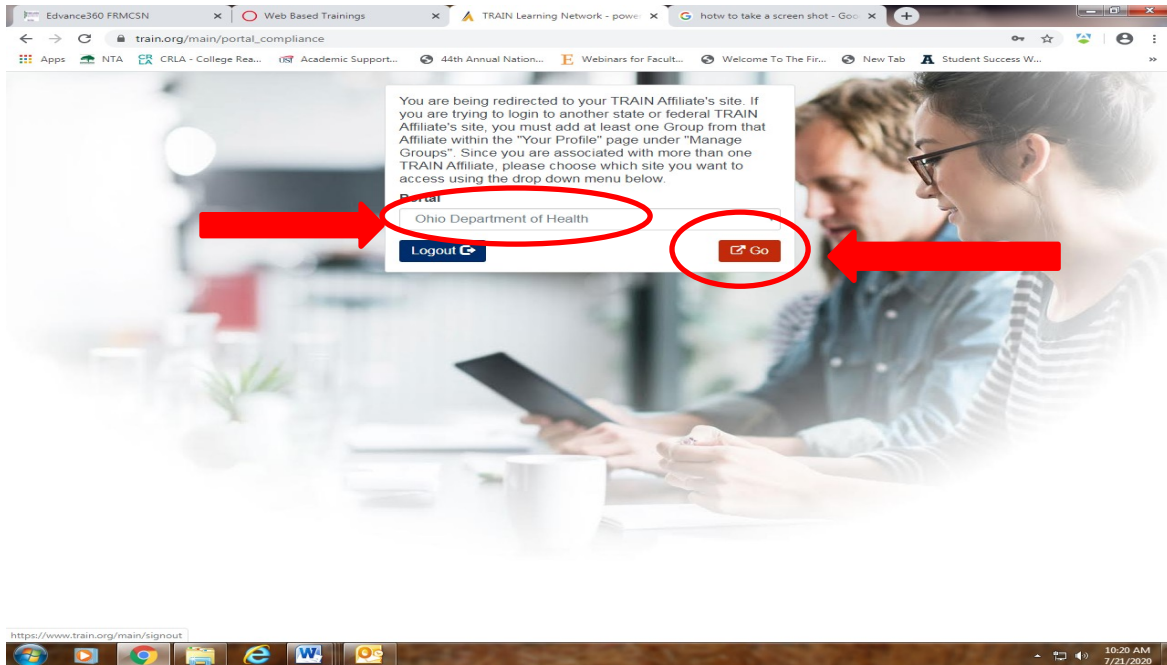

1. Go to the following web address and create an account:

<https://www.train.org/main/welcome>

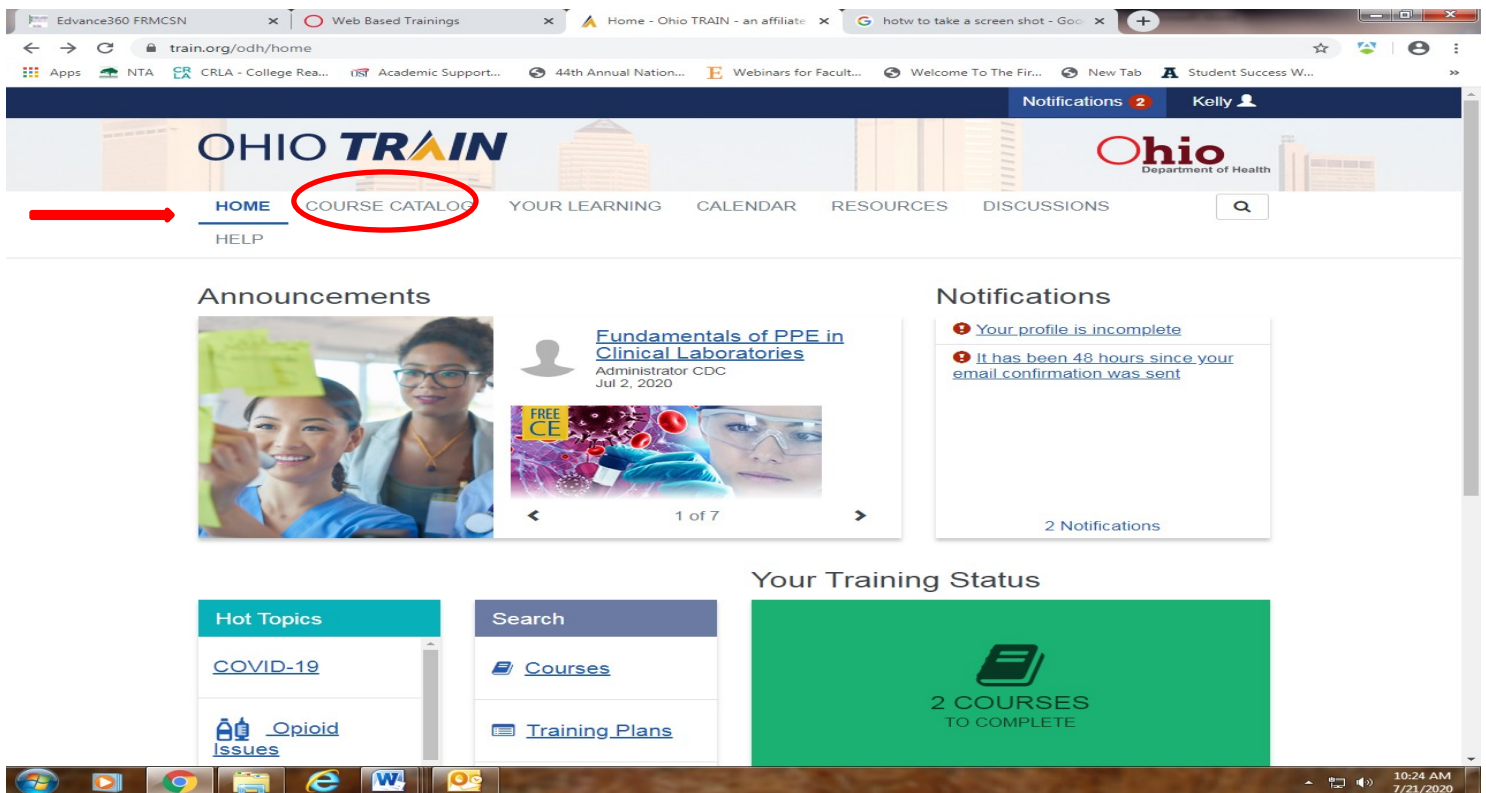

The account is free but you need to create an account before you can complete the training. Once you have gone to the website, click create account and follow the directions.

2. When you complete creating an account and sign in, it may ask you which state you are affiliated with. Please make sure to select “Ohio Department of Health” then click “Go.”

3. From the Home page click on Course Catalog.

4. Once you are on the Course Catalog page, you will need to search for the following courses in the search box:

- Introduction to Children's Hearing Screening
- ODH School-Aged Children Vision Screening: Common Vision Problems
- ODH School-Aged Children Vision Screening: Screening Tests
- ODH School-Aged Children Vision Screening: Referral and Follow-Up
- ODH School-Aged Children Vision Screening: Data Collection and Reporting
- ODH School-Aged Children Vision Screening: Resources

Once you have located the course you are looking for, select it from the list.

The screenshot shows the Ohio TRAIN Course Catalog search results page. The search box contains the text "introduction to children's hearing screening". The results list several courses, with "Introduction to Children's Hearing Screening" highlighted in yellow. A red arrow points to the search box, and another red arrow points to the highlighted course title.

Use this page to search for any course or document on the TRAIN Learning Network site. The results may be limited by any groups you have joined within TRAIN ([see your profile for details](#)).
