Dear Nurse Recruiter,

Currently I am student enrolled at Firelands Regional Medical Center School of Nursing in Sandusky Ohio. I am diligently completing the final semester of Critical Care Nursing and working a PRN position as a Patient Care technician at Firelands Regional Medical Center. My graduation date is set for May 3<sup>rd</sup>, 2024 and I plan to take the licensure examination the following week of May 6<sup>th</sup>, 2024. I am inquiring about a position that you have posted on the Cardiovascular Intensive Care Unit. I want a position in critical care due to the fast-paced environment that challenges current knowledge every day and also pushes me to be a lifelong learner.

I am a hardworking, a team player, and constantly seeking of learning opportunities. I hope to make a positive impact of any nursing unit by leading by example and being open to constructive criticism.

If you could get back to me at your earliest convenience to discuss a future position at your organization. Thank you for your time for the nursing position and I look forward to hearing from you.

Sincerely,

## Ashley J Huntley
