Heather Garbe
Director of Nursing
Firelands Regional Medical Center
1111 Hayes Ave
Sandusky, Ohio, 44870

Dear Heather:

I regret to inform you that I must resign from my position at Firelands Regional Medical Center. I am leaving this position because I have found a new position at a different hospital that better suits my interests and needs. I have worked at this facility since 2022 and have greatly enjoyed many aspects of it including my coworkers, administration, and my patients most of all. Thank you for your time and for this experience.

Sincerely,

Madison Taylor
