Dear Dolly,

I am writing to express my interest in your staff Registered Nurse position for the Inpatient Rehabilitation hospital. I am attending Firelands Regional Medical Center School of Nursing, and my expected graduation date is May 3, 2024. I plan to take the licensure examination on May 10, 2024. I am interested in your facility because there is a lot of room for growth, and I feel as if I would be a good asset to your team.

I have always enjoyed working with all different individuals. I love being able to watch patients as they regain strength, and help them gain confidence back in everyday tasks, so they can feel independent, and comfortable, as they overcome obstacles that were thrown their way. I'd be a great asset to your team as I have worked for an inpatient rehabilitation floor at a local hospital in Sandusky, Ohio for almost 2 years now and I love it. I am a team player and will work well with the team provided, as it is necessary to achieve the best patient outcomes.

I am available to meet with you at your convenience. Thank you for considering me to fulfill this position. I am genuinely excited to start this new journey at your facility, and I look forward to hearing back from you and can be reached at 419-370-6454. My resume is attached.

Thank you,
Taylor E Fox
