Dear Nursing Recruitment:

I am graduating from Firelands Regional Medical Center School of Nursing on May 3rd, 2024, and am taking the licensure examination to become a registered nurse on May 15th, 2024. I am applying for a position in the emergency department at Cleveland Clinic Lutheran Hospital, after being referred by my good colleague and friend, Jill Guseman. Jill has shared many positive things about the Cleveland Clinic and the emergency room staff at the Lutheran Hospital, such as the team-oriented culture and opportunity for continued learning and growth.

I have many years of healthcare experience as a patient care tech on a medical surgical floor, and more recently as a nurse intern in an emergency room. At my most recent position I discovered my passion for emergency medicine, and my desire to have a career as an emergency nurse. I have enjoyed the experience of a fast-paced work environment where critical thinking and clinical judgement are essential. A position at the Cleveland Clinic would allow me to continue my growth, serving a larger hospital with a more diverse patient population. I look forward to the opportunity to speak with you and to learn more about this position.

Thank you,
Natasha R. Doughty

Dear Michelle,

Please accept this letter as my resignation from The Bellevue Hospital as a Nurse Intern. I have accepted a position at the Cleveland Clinic as a Registered Nurse in the Emergency Room. My final day at Bellevue will be May 15, 2024.

I wanted to thank you personally for the opportunity I had working here. I have gained many invaluable skills while employed at Bellevue and found my passion for emergency medicine while working in your department. I appreciate your flexibility in working with my school schedule, and the opportunity you have provided me. I enjoyed my time here and value the friendship of my co-workers. This has been a very difficult decision to make, and I appreciate your support through this transition.
