### Firelands Regional Medical Center School of Nursing Faculty Manual

Prior to graduation, senior students will complete the Final Summary of Student's Progress and Development form which is filed and retained in the graduate folder.

NAME OF STUDENT (LAST)	(FIRST)	(MIDDLE)
Elmlinger	Katelyn	Rose

**1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:**

At completion of the program my outstanding personality characteristics would be confidence, assurance, and excitement. I have confidence in my ability to be a nurse and care for my patients with the proper quality of care and respect. I am assured that I know what I am doing as a nurse and that I can properly do what I need to do when it comes to patient care. I have excitement for my future as a nurse, my capabilities of being a nurse and the ability to have an impact on others' lives.

**2. Describe your special interests and abilities in nursing:**

My special interest in nursing is making an impact on others' lives, inspiring them to be their best, and educating them on their personal health. I have special interest in OB nursing and seeing the moment of bringing new lives into the world as well as taking care of mothers who have just gone through labor or about to go through labor.

**3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:**

Throughout the nursing program I have grown closer to each of the staff members. I have always known that they were there for me to turn to in times of need and that they were always there to make me the best nurse, push me to do my best, and inspire me each day. My relationship with patients and their families has been reassuring. Each family member or patient that I talk to and introduce myself as a student, they express their excitement for me and always have wished me luck in my future. When it comes to other members of the healthcare team, my relationships have grown with them as well. I know that I can turn to them when I need help with something or am looking for advice.

**4. Participation in activities throughout the program:**

Throughout the program there has been many activities for us students to participate in. Each activity was one that expanded my knowledge on topics, taught me new things, and was important to my career. I know that with all these activities my knowledge as a nurse has grown and that I will be able to look back on these activities and appreciate that I was able to participate in them.

**5. Explain at least 2 professional goals you would like to achieve during your nursing career:**

1. I would like to further my education as a nurse and receive my bachelor's degree.
2. Despite where I receive a job, I will strive to be the best nurse and live up to the standards of nursing as well as the hospital's mission statement.

**6. List your address at the time of graduation- Include a future address if known:**

4751 Dogtown Rd. Monroeville, OH 44847
