### Firelands Regional Medical Center School of Nursing Faculty Manual

Prior to graduation, senior students will complete the Final Summary of Student's Progress and Development form which is filed and retained in the graduate folder.

NAME OF STUDENT (LAST)	(FIRST)	(MIDDLE)
Noftz	Elaynah	Marie

**1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:**

This program has helped me become more confident and enthusiastic about the care I provide. I am more passionate about what I am doing for my patients. I have developed excellent communication skills with patients and other health care members. I am more comfortable and prepared to adapt to new situations.

**2. Describe your special interests and abilities in nursing:**

I have a special interest in maternal child nursing, and I also have a great interest in the geriatric population. I have become confident in my assessment skills as well as IV insertion.

**3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:**

I believe that we really establish close relationship with our faculty members in this program. I love that all the staff are always open to conversation and really want to get us new experiences in class and in the clinical setting. They are all eager to teach and provide us with opportunities in the clinical setting. They make us think critically but never try to make us feel less than for not entirely understanding a concept. I really believe the faculty and staff at Firelands prioritize helping us as students grow to be confident nurses.

**4. Participation in activities throughout the program:**

I participated in Firelands marketing photo day.

**5. Explain at least 2 professional goals you would like to achieve during your nursing career:**

During my nursing career I would like to start on the floor and really get comfortable with my basic skills. I want to pursue my BSN and eventually take on a charge nurse role on a floor I am passionate about. I really hope that I make a great impact on patients' lives, while being able to provide for my family.

**6. List your address at the time of graduation- Include a future address if known:**
