

Firelands Regional Medical Center School of Nursing
AMSN- 2024
Quality Scavenger Hunt Clinical

The student will participate in a quality assurance review pertaining to Ventilator-Associated Pneumonia (VAP), Catheter-Related Bloodstream Infections, and Catheter-Associated Urinary Tract Infections (CAUTI). This clinical experience will be completed following the Patient Advocate/Discharge Planner clinical (see clinical schedule). The experience will consist of chart review, compliance monitoring, and recording of findings. Amy Rockwell will be available by phone during this clinical experience. The completed documentation is due on Friday at 0800 in the "Quality Scavenger Hunt" drop box the week of the clinical. Refer to the folder, "AMSN 2024 Quality Scavenger Hunt" under Resources in Edvance360. The document will be reviewed for completion and forwarded to Sydney Cmar, RN, Infection Control and Elaine Fitzthum, RN, Quality Assurance.

Instructions:

- This is a 2H clinical experience with a 1H CDG.
- You will spend time on **4C (and 4P dependent upon 4C census)** in order to complete this assignment. Inform the Charge Nurse when you arrive on each unit that you are there to do the Scavenger Hunt (**4C- 5862; 4P- 5872**)
 1. You will begin on **4C** and review each patient that is on a ventilator (they will also have some type of IV and possibly a Foley Catheter- review those at the same time). Utilizing the patient chart, Meditech, and bedside review you will record the information included on the checklist.
 2. If there are no ventilator patients on **4C** you will review patients that have a Foley Catheter, Central Line (including Triple/Quad Lumen Catheter, Port and Dialysis Catheters), and Peripheral IV in place (which should be every patient). Utilizing the patient chart, Meditech, and bedside review you will record the information included on the checklist. If there are limited applicable patients on **4C**, you will then proceed to review of the patients on **4P**.
 3. When filling out checklists, you will indicate "**Y**" for Yes and "**N**" for No.
- Refer to the folder, "AMSN 2024 Quality Scavenger Hunt" under Resources on Edvance360 for additional resources.
- In order for a "yes" to be indicated on the checklist **all** corresponding documentation must be correct in Meditech.
- Contact Amy Rockwell if you have questions or concerns (419-202-2461)
- To contact Sydney Cmar or Sandie Beal with any specific infection Control Questions you can call extension 7918.
