Homework Assignment Questions and Answers

Please read the chapter and answer the following questions:

1. **Malpractice and negligence are examples of what kind of law?**

Common law

2. **What charges may be brought against a nurse for confining a client against his or her wishes (outside of an emergency situation)?**

Charged with false imprisonment

3. **Which ethical theory espouses that what is right and good is what is best for the individual making the decision? Which quality and safety in nursing education competency may be, at least in part, consistent with ethical egoism?**

Ethical egoism – an individual's actions are determined by what is to his or her advantage

Promotes listening to, and respecting the patients' values, preferences, and expressed needs in care management decisions

4. **Name the three major elements of informed consent.**

- a. Knowledge: adequate information to base their decision
- b. Competency: cognition is not impaired to an interfering extent, and if it is then that client needs a legal representative
- c. Free will: consent should be voluntarily given without pressure or coercion from others
