do unto you"

Homework Assignment Questions and Answers

Please read the chapter and answer the following questions:

1. **Malpractice and negligence are examples of what kind of law?** Common Law.
2. **What charges may be brought against a nurse for confining a client against his or her wishes (outside of an emergency situation)?** A nurse may be charged with false imprisonment.
3. **Which ethical theory espouses that what is right and good is what is best for the individual making the decision? Which quality and safety in nursing education competency may be, at least in part, consistent with ethical egoism?** Ethical egoism. Providing patient – centered care listening to and respecting the patient values preference and expressed needs in care management decisions.
4. **Name the three major elements of informed consent.**
 1. Knowledge- the client has received adequate information on which to base their decision
 2. Competency – the individual cognition is not impaired to an extent that would interfere with decision making but if cognition is so impaired the individual has a legal representative.
 3. Free will – the individual has given consent voluntarily with out pressure or coercion from others.
