Nursing Recruitment
Firelands Regional Medical Center
1111 Hayes Ave
Sandusky Ohio, 44870

Dear Nursing Recruitment:

I will be graduating from the Firelands Regional Medical Center School of Nursing on May 2, 2025, and I am seeking employment. I plan to take the licensure examination for registered nursing on June 3rd, 2025.

My preference is to work in a setting that is dedicated to compassionate, patient-centered care and its team approaches, especially the medical surgical floor, I am applying to the open position for a staff registered nurse. My clinical training has equipped me with a strong foundation in catheter insertion, nasogastric tube insertion, wound care, patient education, patient centered care, dressing changes, medication administration and IV insertions. I thrive in environments with teamwork, as well as individuality. While actively engaging in leadership and community service initiatives I have maintained a 2.97 grade point average at Firelands Regional Medical Center School of Nursing and a 3.4 grade point average at Bowling Green State University, Firelands campus. As a senior mentor, I provide guidance and a positive learning environment.

I look forward to hearing from you and can be available to meet at your convenience. You can reach me by either my telephone number 419-202-6112, or email address paigeknupke@gmail. Thank you for considering my application, I am enclosing my resume, and I look forward to the opportunity to contribute to Firelands Regional Medical Center's excellence in healthcare.

Sincerely,

Paige E Knupke
