To whom it may concern,

I plan to graduate from the Firelands Regional Medical Center School of Nursing on May 2, 2025 and I am currently seeking employment. I plan to take the licensure examination for registered nursing in May 2025.

I am applying to your hospital because I have had clinical experience at Firelands Regional Medical Center. I was able to see firsthand how knowledgeable and compassionate the nursing staff were towards their patients. This would be a great opportunity for me to continue to gain clinical judgement and improve my ability to make connections with patients as a new nurse. I would prefer to work on the critical care unit because I prefer to work in a fast-paced setting.

I am looking forward to hearing from you and can be reached at 419-271-1554.

Sincerely,

Hannah E. Baum
