Application for Staff Nurse Position in Emergency Department

Dear Amy Rockwell,

I plan to graduate from Firelands Regional Medical Center School of Nursing on May 2, 2025 and I am seeking employment. I plan to take the NCLEX for Registered Nursing on May 30, 2025.

I am writing to express my interest in the Staff Nurse position at Firelands Regional Medical Center. With my 4 years of nursing experience in Medical/Surgical, ICU, and ER, I am eager to contribute my clinical expertise, compassionate care, and dedication to patient-centered treatment to your esteemed healthcare team. I am applying to your hospital because the experience I bring will help provide excellent care to the community and improve the lives they serve. I have always been drawn to the fast-paced and dynamic environment of the Emergency Department, where quick decision-making and collaboration are essential in providing immediate and effective patient care. My previous experience in The Bellevue Hospital has equipped me with the ability to handle high-pressure situations, prioritize multiple patient needs, and ensure optimal patient outcomes in urgent scenarios.

Thank you for your time and consideration.

Sincerely, Dylan M. Wilson
