1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

There are multiple personality characteristics I now possess due to my nursing program. I am compassionate and empathetic by genuinely caring for my patient's well-being during vulnerable times for them. I have gained strong communication skills that are effective with patients, families and my healthcare teammates. Lastly, I have gained critical thinking skills to analyze and handle situations appropriately

2. Describe your special interests and abilities in nursing:

My abilities in nursing are adaptability, attention to detail, professionalism, flexibility, patient safety, infection control, collaboration, effective communication, and empathy. My special interest in nursing is in community health, because I want to promote wellness around me.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

My experience with faculty, staff, members of the healthcare team as well as patients and their family have been primarily positive. The faculty, staff and the healthcare teams I have worked with have made the environment around me positive and encouraging. Majority of the patients and their families have made my experience meaningful and rewarding.

4. Participation in activities throughout the program:

I have participated in multiple activities throughout the program, during clinical and volunteering. During my St. Mary's health fair my team and I created a wonderful activity that educated the kids as well as let them play a game and had fun, which they absolutely loved. I was a senior mentor for junior students or even my fellow classmates. I volunteered for our sock drive taking all the socks we collected to the homeless shelters and lastly, I gave flu shots to my fellow healthcare workers at the hospital.

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

The two professional goals I want to achieve during my nursing career are continuing my education and earning a Bachelor of Science in nursing (BSN) and gaining experience in a specialized nursing field.

6. List your address at the time of graduation- Include a future address if known:

122 Roger Ave, Bellevue Ohio 44811.
