**1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:**

I am always eager to learn new skills. I love that this field is always a journey of learning.

**2. Describe your special interests and abilities in nursing:**

I have a huge interest in hospice care. I have worked hospice previously and I hope to someday make it back to working in that area again someday.

**3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:**

My experience with faculty for the most part has been excellent. The instructors have all been amazing through this journey.

**4. Participation in activities throughout the program:**

I participated with a day at the school having a high school vocational program tour our school.

**5. Explain at least 2 professional goals you would like to achieve during your nursing career:**

I would like to advance away from bedside in the next 10 years. I have already been practicing at the bedside for 17 years. The bedside is not where I want to spend the rest of my career. I would also like to transition into advanced nursing practice in the next 10 years.
