1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

I am compassionate, willing to learn, good at communicating, time management, and patience.

2. Describe your special interests and abilities in nursing:

My abilities in nursing are caring, compassion, patience, and the ability to work as a team.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

The faculty and staff have all been very helpful throughout my time in the nursing program. I have appreciated learning from everyone and getting to see how each staff member does things a little bit differently. The patients have all been very kind and willing to allow me as a student to care for them.

4. Participation in activities throughout the program:

I participated in the senior mentor program, student committee and the student senate during my senior year.

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

One professional goal I would like to achieve during my nursing career is to improve my skills and gain more knowledge. A second goal I would like to achieve during my nursing career is to continue my education to get my bachelors and possibly my NP.

6. List your address at the time of graduation- Include a future address if known:
