1. Describe your outstanding personality characteristics (relevant to nursing) possessed at the completion of the program:

I believe that I have an outgoing personality and a very energetic person. I love to be on my feet and make sure everyone knows how much I appreciate their understanding or their willingness to let me take care of them. Patient's should feel as if one is ready to take on what is going to come at work and I feel like I can keep a very calm attitude in very over-stimulating situations.

2. Describe your special interests and abilities in nursing:

I would say that my special interests in nursing would be in Critical Care nursing. My passion and love for learning has truly guided me into pursuing a job in a intensive care unit. I believe that my flexibility and being able to sustain a positive outlook in difficult situations is going to help in the long run.

3. Discuss your experiences with interpersonal relationships – faculty and staff, patients and their families, and members of the healthcare team throughout the nursing program:

My relationship with the faculty and staff has been amazing. I have felt an abundance of support from the school and made strong connections with my instructors and can go to them for any kind of academic and career guidance. The patients and family members during clinical really opened my eyes and I felt privileged to be able to be given the chance to take care of them in there time where they are most vulnerable.

4. Participation in activities throughout the program:

-I participated in the senior mentor program at the school of nursing. This allowed to be able to interact with junior in my senior year and help them out with the transition of becoming a nursing student. I really enjoyed this because I thought it was amazing when I was a junior and appreciated the support from the seniors that I wanted to be able to have the chance to do the same.

5. Explain at least 2 professional goals you would like to achieve during your nursing career:

-One of my professional goals that I hope to obtain during my nursing career is to obtain a daisy award.
-Another achievement I would hope to obtain during my nursing career is to get my CCRN.

6. List your address at the time of graduation- Include a future address if known:

-at the time of graduation my address would be 31 Spring St. Willard Ohio 44890 and my future address I hope to be moving to is 1227 Avondale St, Sandusky, Ohio 44870.
