*Course Objectives

Please read the assigned article along with the Davis Textbook Chapter 21. Answer the following questions and submit to the Unit 6 Online Assignment Drop Box by 6/30/25 at 0800. ***This assignment has a minimum word count of 750 words.***

This assignment is worth 0.75 hour of online content. In order to receive full credit for this assignment, it must be completed in its entirety by the due date/time assigned. Any assignment not completed in its entirety will result in missed theory time and must be made up

1. Provide a brief summary of your perceptions, biases and or understanding of eating disorders?

2. Define anorexia nervosa and bulimia nervosa in your own words.

3. List the clinical signs of anorexia nervosa, bulimia nervosa, and binge-eating disorder. Provide a summary of the differences between the three disorders.

4. According to the article, what are the different treatment modalities for the three disorders listed above? Compare this to the treatment modalities identified in the textbook (summarize the differences and similarities).

5. How have your perceptions regarding eating disorders changed after reading the article and textbook? Provide specific examples.

6. How has reading this article helped you better understand the initial evaluation, treatment, and diagnosis of anorexia nervosa, bulimia nervosa, and binge-eating disorder from the nurse's perspective? Provide specific examples.
