Homework Assignment Questions and Answers

Please read the chapter and answer the following questions:

1. **Malpractice and negligence are examples of what kind of law?**

Malpractice and negligence are examples of common law.

2. **What charges may be brought against a nurse for confining a client against his or her wishes (outside of an emergency situation)?**

Nurses may be charged with false imprisonment if they have confined a client against his/her wishes.

3. **Which ethical theory espouses that what is right and good is what is best for the individual making the decision? Which quality and safety in nursing education competency may be, at least in part, consistent with ethical egoism?**

The ethical theory being described above is referred to as ethical egoism. The quality and safety nursing competency that is similar to this theory is patient centered care.

4. **Name the three major elements of informed consent.**

The three major elements of informed consent include knowledge, free will, and competency.
