

Firelands Regional Medical Center School of Nursing

Psychiatric Nursing

End of Life Poster Assignment

*Any assignment not completed in its entirety will result in one (1) hours of missed class time.
This assignment is due July 14th at 0800.*

Read Chapter 10 in Medical Surgical Nursing Book (Lewis). Make a poster at least 24 inch X 24 inch to present to the class. Include the signs and symptoms that are expected with the end of life process. Think about those that are visible to the naked eye and those that are not. Consider all body systems that are involved and how they react to the body shutting down. Be creative. You will be handing these in at the beginning of class and discussing your findings with the class.
