Erie County Senior Center Activity Proposal

Directions: Please answer the following questions, typing your response in the space provided. This document is due in the Dropbox labeled ECSC Activity Proposal by **Friday, 1/16/2026**, by 1500.

1. Please list the names of each person in the clinical group. [Kaylee Altomare](#), [Alejandro Baez](#), and [Keely Glaze-Harpster](#)
2. What activity will you be leading while at the Erie County Senior Center? Give a **detailed outline** of your activity, and explain how you plan on running your activity? [Our group plans on bringing a variety of board games \(Connect 4, checkers, Yahtzee, Scrabble, Dominos, etc.\), and card games \(Uno, Goldfish, Euchre, and normal decks of cards\).](#)
3. How will this activity benefit the clients? [This activity will get the patients to socialize, enhance their dexterity, memory, and strategizing, and improve cognitive function.](#)
4. Describe the anticipated level of participation, any declines in functional ability, and what you plan to adapt to these needs. [We anticipate that a majority of the patients will participate. For those who may have MS and can't handle smaller things, they can play cards, or one of us can be their hands for them.](#)
