Dear Nurse Recruiter:

I plan to graduate from the Firelands Regional Medical Center School of Nursing on May first, 2026, and I am seeking employment. I plan to take the licensure examination for registered nursing in May 2026.

I am applying to your hospital because of my prior clinical experience at the facility during nursing school and the proximity to my home, and because I prefer to work in a hospital setting, especially the Labor and Delivery unit.

With nearly three years of experience working in a hospital setting as an unlicensed assistive personnel, I have gained valuable insight into patient care delivery, interdisciplinary collaboration, and the fast-paced nature of acute care. My clinical education includes experience in a maternal-child nursing course, where I further developed skills in family-centered care and patient education. I am highly organized with strong time management skills, enabling me to balance multiple responsibilities while consistently providing safe and attentive care.

I am available to meet you at your convenience. I am looking forward to hearing from you and can be reached at (419) 602-7091, 11208 Wright Road, Berlin Heights, Ohio 44814. Thank you for your consideration; my resume is enclosed.

Yours very truly,

Dear Nurse Recruiter:

It is with regret that I must submit my resignation from my position as an Obstetrics Staff Registered Nurse. At this time, I am leaving because I have decided to pursue another professional opportunity that aligns with my career goals. I have been employed at Firelands Regional Medical Center since May 2026 and I have enjoyed my association, especially with my co-workers and of course, my patients.

Sincerely,

Mallory K. Jamison
