Nursing Recruitment  
Firelands Regional Medical Center  
1111 Hayes Ave  
Sandusky, Ohio 44870

## **Dear Nursing Recruitment:**

I am projected to graduate from Firelands Regional Medical Center School of Nursing on 1 May 2026. Following graduation, I will receive my scheduled date and time to sit for the NCLEX. Therefore, this is me taking initiative and proactively applying for nursing positions to solidify a position within the field prior to receiving my license.

I am currently in search for a position in an Intensive Care Unit and am interested in being an essential employee in your facility, if there are any positions available. I believe I am qualified for this position because I have never encountered a job or position that I cannot handle and essentially encourage pressure when it comes to working environments. All self-advocacy aside, I believe I would be the perfect candidate and a reliable asset to your facility. I am greatly appreciative for your time, attention, and consideration.

Very Respectfully,

**DAVONDRE HARPER**
