

Firelands Regional Medical Center School of Nursing
AMSN- 2026
Quality Scavenger Hunt Clinical

The student will participate in a quality assurance review pertaining to Ventilator-Associated Pneumonia (VAP), Catheter-Related Bloodstream Infections, and Catheter-Associated Urinary Tract Infections (CAUTI). This clinical experience will be completed following the Patient Experience clinical (see clinical schedule). The experience will consist of chart review, compliance monitoring, and recording of findings. Amy Rockwell will be available by phone during this clinical experience. The documentation must be typed and is due on Friday at 0800 in the "Quality Scavenger Hunt" drop box the week of the clinical. Refer to the folder, "AMSN 2026 Quality Scavenger Hunt" under Resources in Edvance360. The document will be reviewed for completion and forwarded to Sydney Cmar, RN, Infection Control and Melissa Caranfa, RN, Quality Assurance.

Instructions:

- This is a **1H** clinical experience with a **1H** CDG.
- You will spend time on **4C (and 4P dependent upon 4C census)** in order to complete this assignment. Inform the Charge Nurse when you arrive on each unit that you are there to do the Scavenger Hunt.
 1. You will begin on **4C** and review each patient that is on a ventilator (they will also have some type of IV and possibly a Foley Catheter- review those at the same time). Utilizing Meditech and doing a bedside review you will record the information included on the checklist.
 2. If there are no ventilator patients on **4C** you will review patients that have a Foley Catheter, Central Line (including Triple/Quad Lumen Catheter, Port and Dialysis Catheters), and Peripheral IV in place (which should be every patient). Utilizing Meditech and doing a bedside review you will record the information included on the checklist. If there are limited applicable patients on **4C**, you will then proceed to review of the patients on **4P**.
 3. When filling out checklists, you will indicate "**Y**" for Yes and "**N**" for No.

**** You may not have time to complete every box, and do not need to be on 4T longer than the one allotted hour****

- Refer to the folder, "AMSN 2026 Quality Scavenger Hunt" under Resources on Edvance360 for additional resources.
- In order for a "yes" to be indicated on the checklist all corresponding documentation must be correct in Meditech.
- Contact Amy Rockwell if you have questions or concerns (419-202-2461)
- To contact Sydney Cmar or Melissa Caranfa with any specific infection Control Questions you can call extension 7918.
