**Comments:**

**Week 5 (Meditech/BMV):** You satisfactorily completed the Meditech/BMV lab and have satisfied the requirements for this lab. CP

**Week 6 (Wound Care):** You satisfactorily performed a wet to dry and dry sterile dressing change and have satisfied the requirements for this lab. CP

**Week 9 (NG Insertion/Care):** Nice job performing NG insertion, irrigation, and removal. You showed confidence in skill performance and included all necessary components of each skill. You also successfully completed the assigned documentation in Meditech. CP

**Week 10 (Foley Insertion/Care):** You did a great job in the lab this week and were satisfactory with the following skills: Application of Sterile Gloves, Foley Catheter Insertion (female), and Foley Catheter Removal. No prompts were needed! During insertion you were able to remind yourself to label the drainage bag or tubing with the orange label,

and during removal you reminded yourself to empty the drainage bag and tubing prior to removal. You maintained the sterile field throughout the Foley insertion, did not contaminate the catheter or your gloves at any point, had very good communication, and were thorough throughout the observation. Great job! As a reminder always verify the patients name and date of birth with the name band. You correctly verbalized the differences in catheter insertion for a male patient. You independently completed Meditech documentation for Urinary Catheter Management and I & O. Keep up the great work!!! AR

**Week 11 (Comprehensive Assessment):** You satisfactorily performed VS and Physical assessment skills. You were given a prompts: safety. You reminded yourself to adjust the position of the bed. You used a strong systematic approach and you were very confident in performing your skills. Nice work! CP

**Week 12 (Documentation):** You satisfactorily completed the Documentation lab and satisfied the requirements for this lab. CP

**Week 14 (Simulation):** You have satisfactorily completed the simulation lab. Nice job communicating with the patient. Please see comments in graded rubric below. CP

**Lasater Clinical Judgment Rubric Scoring Sheet**

<p><b>REFLECTING: (7, 5*)</b></p> <ul style="list-style-type: none"> <li>• Evaluation/Self-Analysis: E    <b>A</b>    D    B</li> <li>• Commitment to Improvement: <b>E</b>    A    D</li> </ul> <p style="padding-left: 40px;">B</p>	<p><b>You were able to recognize your areas of strength. You were also able to recognize some of your areas for improvement and provided examples for what you could have done better.</b></p> <p><b>You shared that you should assume roles in your areas of strength however you also recognized the need to step out of your comfort zone and work on areas where improvement is needed. Great job!</b></p>
<p><b>SUMMARY COMMENTS:</b></p> <p><b>Satisfactory is developing or higher in all competencies.</b></p>	<p><b>Your assessment was very thorough and organized. Nice work! It is okay to assist members of the team however remember to carry out your role on the team.</b></p> <p><b>Great job communicating with the physician and the patient!</b></p>

E = exemplary, A = accomplished, D = developing, B = Beginning

Based off of Lasater's Clinical Judgment Rubric
