Comments:

Week 5 (Meditech/BMV): You satisfactorily completed the Meditech/BMV lab and have satisfied the requirements for this lab. CP

Week 6 (Wound Care): You satisfactorily performed a wet to dry and dry sterile dressing change and have satisfied the requirements for this lab. CP

Week 9 (NG Insertion/Care): You did a great job in the lab this week and were satisfactory with the following skills: Nasogastric Tube Insertion, Irrigation, and Removal. No prompts were needed! You were able to verbalize what you would do if the patient began to cough or choke during insertion, that you would verify tube placement by aspiration and confirming the cm marking, the difference between irrigation and flushing, and the different techniques for verifying tube placement. Your communication throughout the observation was excellent. You also completed the assigned documentation in Meditech. Keep up the great work in the lab! AR

Week 10 (Foley Insertion/Care): You did a great job in the lab this week and were satisfactory with the following skills: Application of Sterile Gloves, Foley Catheter Insertion (female), and Foley Catheter Removal. No prompts were needed! You maintained the sterile field throughout the Foley insertion, did not contaminate the catheter or your gloves at any point, had very good communication, and were thorough throughout the observation. Great job! You correctly verbalized the differences in catheter insertion for a male patient. You independently completed Meditech documentation for Urinary Catheter Management and I & O. Keep up the great work!!!

Week 11 (Comprehensive Assessment): Overall, you did a good job in lab today. You were satisfactory in performing VS and Physical assessment skills. You were given 2 prompts for numbness/tingling and safety. Nice work. NS/CP

Week 12 (Documentation): You satisfactorily completed the Documentation lab and satisfied the requirements for this lab. CP

Week 14 (Simulation): You have satisfactorily completed the simulation lab. Great job performing the assessment. Remember to share your findings with the team. Excellent job communicating with the patient! Please see comments in graded rubric below. CP

Lasater Clinical Judgment Rubric Scoring Sheet

STUDENT NAME: Kala Whitmore   GROUP: 4   OBSERVATION DATE/TIME: 11/20/2018 (0800-1200)   SCENARIO: Fluid & Electrolyte Imbalance

CLINICAL JUDGMENT	OBSERVATION NOTES
COMPONENTS NOTICING: (3, 5*) • Focused Observation: **E** A D B • Recognizing Deviations from Expected Patterns: E **A** D B • Information Seeking: E A **D** B	**You noticed the patient had nausea and diarrhea.** **Remember to review chart for additional information which may assist in caring for the patient.**
INTERPRETING: (1, 5*) • Prioritizing Data: **E** A D B • Making Sense of Data: **E** A D B	**You were able to interpret the data given in report, data retrieved from patient chart, and assessment findings to determine the patient was exhibiting signs and symptoms of dehydration and needed fluid replacement.**
RESPONDING: (7, 5*) • Calm, Confident Manner: E A D B • Clear Communication: E **A** D B • Well-Planned Intervention/ Flexibility: E **A** D B • Being Skillful: E **A** D B	**You responded to the patient's needs by contacting the physician. You communicated patient findings in a clear, organized manner.**

REFLECTING: (7, 5*) • Evaluation/Self-Analysis: E **A** D B • Commitment to Improvement: **E** A D B	**You were able to recognize your areas of strength. You were also able to recognize some of your areas for improvement and provided examples for what you could have done better.** **You shared that you should assume roles in your areas of strength however you also recognized the need to step out of your comfort zone and work on areas where improvement is needed. Great job!**
SUMMARY COMMENTS: **Satisfactory is developing or higher in all competencies.**	**Your assessment was very thorough and organized. Nice work! It is okay to assist members of the team however remember to carry out your role on the team.** **Great job communicating with the physician and the patient!**

E = exemplary, A = accomplished, D = developing, B = Beginning
