

Final Summary

McDonald Pamela Kay

1. Outstanding Personality Characteristics:
Reliable, Patient, Compassionate, Empathetic, Adaptability, Confident, determined, lovable, and a hard worker.
2. Special Interests and Abilities in Nursing:
My interests in nursing are Pediatrics, NICU, and OB. My compassion for nursing and the care I give to my patients. I have learned and built on my prior nursing skills as a LPN.
3. Interpersonal Relationships with faculty and staff, patients, and their families, and members of the health care team:
My communication skills have improved working with different people and patients at the hospital. I have developed some good rapport with faculty ,staff and students. I have always viewed professionalism as an important part of a job and continued this at school, clinicals and the hospital.
4. Participation in Activities and Recreational Interests:
I enjoyed working with the children at the Erie County Board of Developmental Disabilities and the safety fair. I gave me a chance to see the different developmental needs from multiple children.
5. Students Professional Plans:
I plan to pass nursing school and the NCLEX then continue my education to obtain my BSN. I want to eventually work in a children's hospital, but I plan to get some experience at FRMC first.
6. Future Address:
1326 Lindsley St
7. Future email:
pammcdona@aol.com
