

Nursing Informatics Content
Z-CH 23
Carmen Patterson, MSN, RN

ON-LINE CONTENT (1 H)

Learning Objectives

- Discuss informatics as it relates to nursing.
- Discuss the benefits of CIN.
- Explain how bedside nurses can contribute to the advancement of nursing informatics.

ASSIGNMENT Instructions:

Listen to the assigned podcast (see instructions on p. 2-4 of this document) and answer the following questions related to nursing informatics:

1. Why should nurses be concerned with informatics?
2. The speaker states advanced degrees in nursing informatics is important and worth pursuing. Do you agree with this statement? Why or why not?
3. What is the benefit of CIN as explained by the speaker?
4. How can bedside nurses contribute to the continued advancement of nursing informatics?
5. How can nurses use social media to remain current in nursing informatics?
6. What does the speaker say is most important for nurses to know about informatics? Do you agree? Why or why not?

Place your answers to the questions in the Z-CH 23 drop box by 0800 on 03/22/2021. Please be prepared to discuss your answers in class.

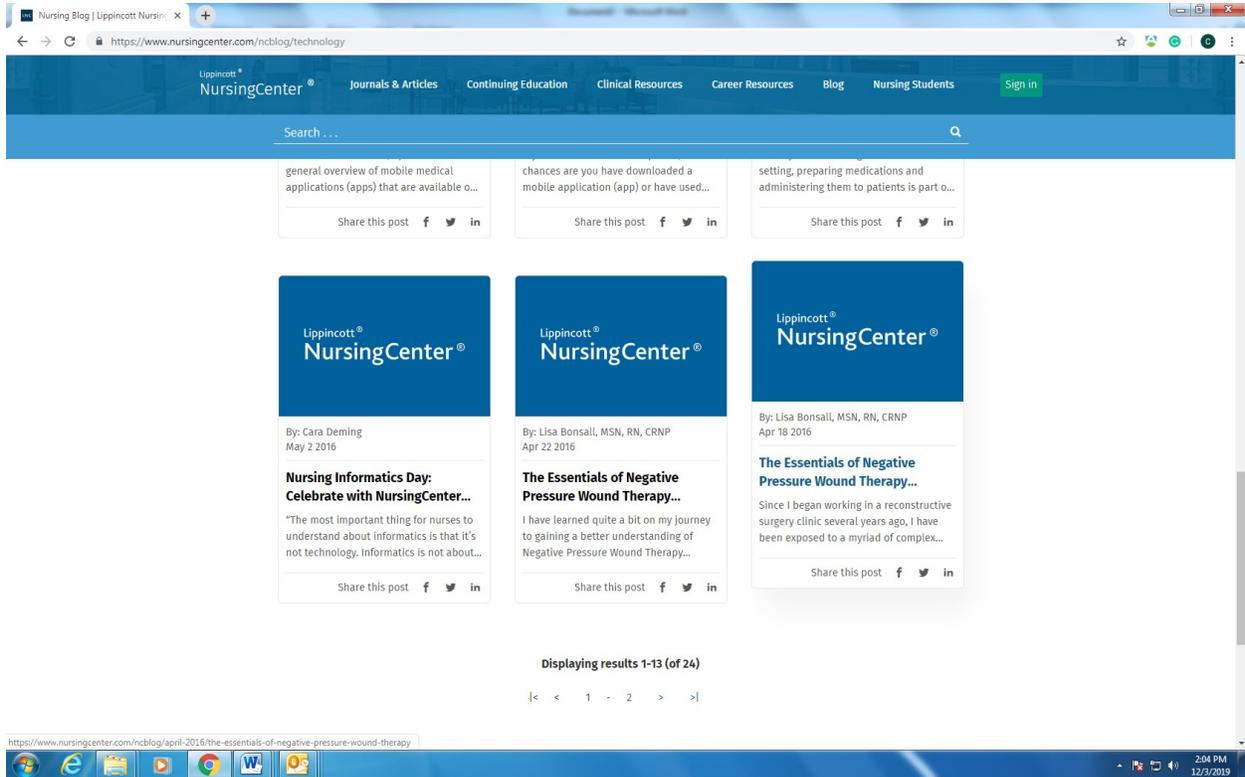

In order to receive full credit (1H class time) for this assignment, it must be completed in its entirety by the due date/time assigned. Any assignment not completed in its entirety will result in missed class time.

Go to the following web address: nursingcenter.com

Select "Blog" and then select "Technology" (See screenshot below)

The screenshot shows the Lippincott NursingCenter website. The browser address bar displays "https://www.nursingcenter.com". The navigation menu includes "Journals & Articles", "Continuing Education", "Clinical Resources", "Career Resources", "Blog", and "Nursing Students". The "Blog" menu is open, showing options: "Patient Safety", "Education & Career", "Evidence-Based Practice", "Inspiration", "Technology", "Leadership", "Diseases & Conditions", and "Continuing Education". The "Technology" option is highlighted. The main banner features the text "Nursing Starts Here" and "Join NursingCenter for the best resources to improve patient care and outcomes." Below the banner is a "Join NursingCenter Today" button. A "Featured Topic" section is titled "Delirium, Dementia & Depression" and contains a carousel of content cards: "CE COLLECTION", "BLOG" (with a sub-heading "DISEASE-SPECIFIC ISOLATOR RECOMMENDATIONS"), "ADVERTISEMENT" (with a sub-heading "Learn about migraine triggers, symptoms and treatments at the HealthyWomen Migraine Center"), and "GUIDELINE". A cookie notice at the bottom states "This website uses cookies to ensure you get the best experience on our website. Learn more". The system tray shows the time as 2:03 PM on 12/3/2019.

Scroll down to the bottom of the screen and select “Nursing Informatics Day: Celebrate with Nursing Center” by Cara Deming – May 2, 2016 (See screenshot below)

Select "PODCAST" towards the bottom of the screen (See screenshot below)

The screenshot shows a web browser window displaying the NursingCenter website. The address bar shows the URL: <https://www.nursingcenter.com/ncblog/may-2016/nursing-informatics-day>. The website header includes the NursingCenter logo and navigation links: Journals & Articles, Continuing Education, Clinical Resources, Career Resources, Blog, and Nursing Students. A search bar is located below the header.

The main content area features a quote: "safety. IT has been identified as one of the most promising approaches for improving safety in the clinical setting. IT-based strategies, such as barcode medication administration, can really reduce safety inefficiencies and vulnerability in the clinical setting, so it's very important that nursing informatics be a part of this." Below the quote, there is a section titled "Listen for the whole interview..." with two buttons: "PODCAST" and "Interview".

Below the buttons, there is a paragraph: "I had the chance to speak with Cummins over the phone about ways to celebrate Nursing Informatics Day and why nurses in all specialties should pay attention to technology in the workplace." This is followed by another paragraph: "Be sure to stop by our National Nurses Week page for more ways to celebrate, including discounts and giveaways for nurses week! BONUS: Read the current issue of CIN on NursingCenter for free as our featured journal until May 15th."

At the bottom of the content area, there is a section titled "More Resources" with the following links: [CIN: Computers, Informatics, Nursing](#), [CE Collection: Nursing Informatics](#), and [CE for Informatics specialty Nursing Informatics](#).

The footer of the website includes a cookie notice: "This website uses cookies to ensure you get the best experience on our website. [Learn more](#)" and a "Got it!" button. The Windows taskbar at the bottom shows the time as 2:08 PM on 12/3/2019.

Listen to the Podcast and answer the questions located in the directions for this assignment.
