

MCN Unit III

ON-LINE CONTENT (1 H)

Review the article at <https://www.aafp.org/afp/2013/0401/p502.html> and place your answers to the following questions in the Unit III drop box by start of class on September 7, 2021:

*In order to receive full credit (1 H class time) for this assignment, it must be completed in its entirety by the due date/time assigned. Any assignment not completed in its entirety will result in missed class time.*

1. What are the leading causes of death in children under 18 years of age?
2. What are some ways the article suggests can be used to prevent the causes you listed in # 1?
3. You are caring for a toddler on the pediatric unit. The parents ask about how to prevent accidental injuries in their child. What information would you include in the teaching plan and why?
4. What would be one online resource you could suggest to the family as an educational resource on the subject?
