Critical Care Nurse Manager
Firelands Regional Medical Center

Dear Ms. Riggs,

It is with regret that I must submit my resignation from Firelands Regional Medical Center as a Critical Care Registered Nurse. At this time I am leaving because my husband took a new position, which will require us to move to Colorado. I have been employed at Firelands Regional Medical center since June 2012, and have enjoyed my association, especially with my co-workers and of course, my patients.

Sincerely,

Jennifer M. Quinn
