MASTER PRINCIPLE #9:

Men are not equal, and economic redistribution cannot change this fact.

Doing Business God's Way: Chapter 9

Justice and Equality Are Not the Same

BY DENNIS PEACOCKE

MASTER PRINCIPLE #9: Men are not equal, and economic redistribution cannot change this fact.

Homework:

1. What is the difference between “justice” and “equality?”
2. The creation is not complete without what?
3. What are some examples of man's rebellion toward God?
4. As defined by Scripture, list the eight things we must steward in order to live justly:

5. After studying this lesson, how would you define justice?

6. What concepts did you learn in this lesson and how do they apply specifically to your personal and/or business life?

Quiz:

1. Equality means:

- a. According to the law, we all are held and protected to receive justice under it
- b. That we all have the same financial and material possessions
- c. That we all have the same potential regarding skills, talents, and abilities and should be guaranteed equal benefits

2. The heart of modern paganism:

- a. Attempts to make equal what God has made unique
- b. Is about worshipping idols
- c. Is focused on materialism

3. True wealth has the following elements:

- a. Godly character, wise stewardship, and faithful work
- b. An affluent living style without debt
- c. Abundant finances

4. Justice is:

- a. Treating others the same way they treat us
- b. What seems right to us
- c. Aligning ourselves with God's Word versus attempting to measure ourselves against each other

5. What term is used to justify most of the government's practices?

- a. Executive order
- b. State control
- c. Equality
