Writing Positive Support Strategies: Without De-escalation

Date: 8/26/2025 13:00 – 8/26/2025 14:30

This class reviewed what positive support strategies are and how to complete all steps to their development. Also discussed were person-centered tools that can be used to get to know someone better to aid in writing these supports.

CEU Contact Hours: 1.8 for Nurses, 1.5 for Social Workers

STAR Services provides professional development, consulting, staffing, and business development resources for human service agencies, professionals, government entities, schools, families, and people receiving supports.
