

Try It Out: Assignment Instructions

To begin your assignment, please follow these initial directions:

First, save this file to your computer.

To save your work, click on “File” and then select “Save As.” Type your name as the file name (e.g., “Wk2JaneDoe.PDF”).

You **must** save your file as a .PDF or it will not be accepted.

Next, to complete the assignment, follow these directions:

1. Type your name in the box in the lower left corner of the next page.
2. Fill out the assigned items from the PQA:
 - Type your evidence in the space indicated.
 - Select the row scores by clicking in the appropriate box for each row.
 - Select the overall score for the item by clicking the circle above the score.
3. Then, save the file again. (If you don't, you will lose all your work.)
4. To upload your finished assignment, click on the Dropbox tab, then click the text that says “Upload File.” Click “Browse” to select the file from your computer, then click “Submit.”

Infant-Toddler Program Quality Assessment

Form A — Observation Items

Your Name

I. LEARNING ENVIRONMENT

Circle one indicator level for this item based on the scoring rules on page ix.

I-C. The care space has equipment arranged in areas for play and movement.

1 2 3 4 5

Check here if not observed or reported.

| | Level 1 Indicators | Level 3 Indicators | Level 5 Indicators | Supporting Evidence/Anecdotes |
|-------|--|---|--|--|
| Row 1 | <input type="checkbox"/> There is no or very limited floor space for children's play and movement. Examples: <ul style="list-style-type: none"> - Caregivers must leave room to get materials, or space is overcrowded and cluttered due to all materials being stored in room. - Infants are confined in seats and get no floor time. - Toddlers run into equipment or each other. | <input type="checkbox"/> Some space is available for play. Examples: <ul style="list-style-type: none"> - There is enough space for most children to play on the floor at the same time. - There is some storage for adults' materials in room. - In a mixed-age room, there is a separate space for infants to lie on the floor safe from mobile children. - A limited number of toddlers are allowed in each area, and children have to wait until there is space available before moving into that area. | <input type="checkbox"/> Space for play is plentiful and organized to suit the mobility of children in the group, at least 50 square feet per child. Examples: <ul style="list-style-type: none"> - There is enough space for all children to play on the floor at the same time. - There is space for all children to roll, sit, scoot, crawl, cruise, walk, ride, rock, climb, jump, and run. - There is adequate storage for adults' materials in room. - There is enough space for children with disabilities to move with assistive devices. - Toddlers can choose where to play, and there are no limits on how many can be in each area. | <p>Note: Estimate square footage by walking the width and length of the room, computing the area, and dividing by the number of children in the room for the day ($W \times L \div \# \text{ of children} = \text{sq. ft. per child}$).</p> |
| Row 2 | <input type="checkbox"/> There are no soft places for children to snuggle against. Examples: <ul style="list-style-type: none"> - No designated play areas. - All hard floors; no carpet or area rugs. - Hard or plastic seating. | <input type="checkbox"/> There are some soft places for children to snuggle against. Examples: <ul style="list-style-type: none"> - A beanbag chair in book area with a few pillows, rocker. - Rugs in book area; pillows to sit on in house area. - Carpet throughout space except eating space. | <input type="checkbox"/> There are soft places throughout the care space for children to snuggle against. Examples: <ul style="list-style-type: none"> - Mattress and/or beanbag chairs to sit and crawl on. - Couch or love seat; adult- and/or child-sized cushioned rocker; hammock. - Carpeted riser to sit on or crawl on. - Carpet and/or rugs for children to crawl on. - Cozy nooks with pillows or beanbag chairs. - Loft with carpet on it and soft space underneath. - Child-sized couch/chair in house area. - Large cardboard box on carpet or rug with pillows/blankets on it. | <p>Note: This row refers to soft places that children can go to and snuggle, not materials to play with. Item I-D, Row 5, refers to soft materials to play with.</p> |
