

Classroom	Preschool	Teachers	Terra / Ashaunee
Date	5/8/2024	Child Messages	Thank you to Ch for the treats and card he brought yesterday
Door/Planning	Terra greet parents; Sign in is measuring how tall you are, write height on name tag along with their plan for the morning		
Planning Time	Ashaunee: get art center opened and encourage playdough		
Work Time	T: Check in with Z frequently to monitor emotions A: Try to get several language notes for K with specific words he says for speech/language review		
Cleanup Time	T: Put paint and easel items away for the weekend; Be sure to acknowledge anyone who uses the broom/dustpan to cleanup A: Keep tabs on C to make sure she actually cleans not just standing near someone who is cleaning		
Recall Time	Sort names by height and then recall shortest to tallest.		
Story	A Seed Grows, Antoinette Portis		
Small Group	Visit garden area to check on plants. Use tape measures to record heights of plants. When back inside compare plants. Keep these measurements so we can remeasure next week and check growth.		
	Early: Ask them to recall which plants or which	Middle: Have them help measure plants	Late: Have clipboards available so they can 'record' heights of plants
Outside	Add chalk in bucket near fence; pull out hop scotch circles		
Music/Movement	Move like different bugs (ladybugs, bees, caterpillars, worms, ants) Finger Plays: Where are the Bees? 5 Little Lady Bugs Songs: The Farmer Plants the Seeds, The Ants Go Marching
