

Large-Group-Time Planning form

Originating idea: We had been talking about sequencing.

Materials: Teachers, children and Sing song Mulberry bush.

Curriculum content area: Creative arts, physical development, Mathematics, language, social and emotional development.

Beginning: Let's make a circle, let's make it big and small. Then the teacher sings here we go round the mulberry bush song. Ask children how we can go round. Then asks what we do when we wake up in the morning, takes ques from the children.

Middle: The action one child does is asked to be followed. Like for example we wash our face, how can we wash our face, let's do it Arman's way.

End: After Large Group Time what do we do? We go back for Small Group Time. How can we go back to our tables?

Follow up:
