

# Try It Out: Addressing Gaps in Data

# Try It Out: Assignment Instructions

Review the assessment data for Legacy and identify the gaps. Next, reference the gap considerations listed on page 3 and choose one of the missing COR Advantage item(s) to brainstorm at least two ideas for filling each gap consideration. Reference page 4 for an example of how to complete this assignment. Use the fillable document on page 3 to record your responses and upload to the Dropbox. This assignment is worth a total of 20 points, 1 point for identifying the COR Advantage item and 2 points for each idea for filling in the gap. Refer to Week 4 Learning Unit for examples of filling in the gaps.
