

Classroom Name: Classroom 3

Date: May 3, 2023

Adults: Amira and Nour

Door: Amira- Greet parents & children.

Greeting Time: Nour take the children to switch their pictures from home to school. Then they go to look at books.

Child Message: We have new toys in the table toys area.

Books: Amira: "The Three Little Pigs"

Nour: Five Little Ducks

Large-Group Time: All children gather on the rug, and I will ask them to stay standing and then I will play the song "if you happy and you know it."

Planning Time:

Amira: I will provide a variety of toys and materials for the children in the house area. I will encourage them to explore and play independently, allowing them to choose what they want to play with.

Nour: will encourage children to explore the dress-up storage area. She will suggest different costumes and props for children to try on and use in their play.

Work Time: support children in exploring and discovering different objects in the house area. And encourage them to use their problem solving skills while playing with different toys.

Clean-up: Start singing the cleanup song as a signal that its clean up time.
